RE: District 6 Docket # 2009-141-T Objection
September 30, 2009

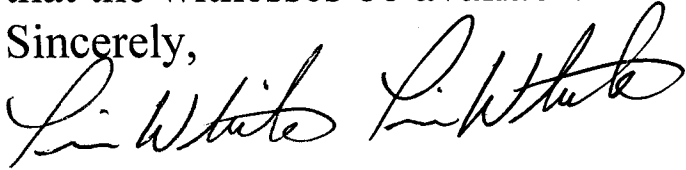

Dear Commissioners

We are objecting to the item no's. 6-10 on your agenda for the above mentioned docket #.

We do so in writing to protect our rights.

We would like to be able to cross examine the applicants' witnesses at the time of the hearing. We feel that this may be an issue and would prefer that the witnesses be available the day of the hearing.

Sincerely,

Tim White
